

INFORMATION ABOUT THE PERSON FILLING THE FORM	
Name and family name	Mitja Ferlan
Research organization	Slovenian Forestry Institute
Position in the organization	Research fellow
Country	Slovenia
E-mail	mitja.ferlan@gozdis.si
FACILITY <sup>1</sup>	
Name of the facility	Laboratorij za elektronske naprave (Laboratory for electronic devices) <a href="http://en.gozdis.si/home/">http://en.gozdis.si/home/</a>
Location of the facility	Slovenian Forestry Institute Vecna pot 2, 1000 Ljubljana UTM coordinates: Latitude/Longitude
Start date	2009
Type of facility	Short description: Laboratory is equipped for developing different electronic project. Equipment: Different programmers for microcontrollers, CNC machine for board developments, measuring systems for control and debugging.
Keywords	Measuring equipment, meteorological equipment, systems for process control
Scientific characteristics	Scientific objective: Developing innovative and/or robust techniques for environmental measurements. Interest for users: Using data from measuring systems Particularities in comparison to similar facilities: From idea to final device at one place. Research projects in the frame of which the facility is used (include web site address): -
Technical characteristics	Detailed description of instrumentation: <ul style="list-style-type: none"> <li>- Protomat E33 (efficient CNC machine for circuit boards)</li> <li>- Fireball V90 (CNC machine for different purposes)</li> <li>- Standard equipment in electronic laboratory (Oscilloscope, soldering stations...)</li> </ul> Measured parameters: All parameters that are relevant in electronics If there is any file, map or images relevant about this infrastructure, please attach it
SCIENTISTS AND/OR TECHNICIANS IN CHARGE OF THE FACILITY	
Principal investigator	Mitja Ferlan (mitja.ferlan@gozdis.si)
One line for each additional person	Daniel Žlindra (daniel.zlindra@gozdis.si)
ADMINISTRATIVE INFORMATION	
Availability for participating in mutual measurements	Yes, Mitja Ferlan (mitja.ferlan@gozdis.si) Common outputs
Availability for accessing the data collected	Yes, Mitja Ferlan (mitja.ferlan@gozdis.si) Common outputs
Institution that manages the facility	Gozdarski inštitute Slovenije (Slovenian Forestry Institute) <a href="http://en.gozdis.si/home/">http://en.gozdis.si/home/</a>

<sup>1</sup> Note: This information could be published in the webpage of FORESTERRA.

# FORESTERRA

Enhancing FOrest RESearch in the MediTERRAnean  
through improved coordination and integration

Continue	
Structure or institution which manages the data	<i>Gozdarski inSTITUTE Slovenije (Slovenian Forestry Institute)</i>
	<a href="http://en.gozdis.si/home/">http://en.gozdis.si/home/</a>
Is the facility participating in a national or international Network?	No
	-
Is the facility open for transnational collaboration?	Yes
