

INFORMATION ABOUT THE PERSON FILLING THE FORM	
Name and family name	Nikica Ogris
Research organization	Slovenian Forestry Institute
Position in the organization	Scientific co-worker, researcher
Country	Slovenia
E-mail	nikica.ogris@gozdis.si
FACILITY ¹	
Name of the facility	Mycotheca and Herbarium of Slovenian Forestry Institute
	http://www.zdravgozd.si/mikoteka_index_en.aspx
Location of the facility	Slovenia
	Večna pot 2, SI - 1000 Ljubljana
	UTM coordinates: N 46° 3.155', E 14° 28.809'
Start date	1991
Type of facility	Mycotheca and herbarium
Keywords	fungi, lichens, plant, collection
Scientific characteristics	Scientific objectives: collection of reference material of fungi and plants from Slovenian forests.
	Interest for users: type and research collection
	Particularities: mycotheca includes plant pathogenic fungi, lichens, fungi causing wood rot, basidiomycetes, ascomycetes. Plant collection includes mainly woody plants, e.g. oaks.
	Research projects in the frame of which the facility is used: Public Forestry Service, Research Group Forest biology, ecology and technology (0404-003)
Technical characteristics	Instrumentation: fridge, liofilizator (desiccator), climatic adapter room
	Measured parameters: -
SCIENTISTS AND/OR TECHNICIANS IN CHARGE OF THE FACILITY	
Principal investigator	Nikica Ogris, nikica.ogris@gozdis.si
One line for each additional person	prof. dr. Dušan Jurc prof. dr. Franc Batič dr. Lado Kutnar Zina Devetak
ADMINISTRATIVE INFORMATION	
Availability for participating in mutual measurements	Yes Nikica Ogris, nikica.ogris@gozdis.si
	Conditions: Up on agreement
Availability for accessing the data collected	Yes Nikica Ogris, nikica.ogris@gozdis.si
	Conditions: citing Mycotheca LJF, collector and determinant
Institution that manages the facility	Slovenian Forestry Institute
	http://www.gozdis.si
