

INFORMATION ABOUT THE PERSON FILLING THE FORM	
Name and family name	Juan Fernandez-Golfin Seco
Research organization	INIA/FOREST RESEARCH CENTRE (CIFOR)
Position in the organization	Head of the Wood Structures Laboratory/Coordination of Wood and Cork Technology Group
Country	Spain
E-mail	golfin@inia.es
FACILITY ¹	
Name of the facility	Structural Wood Testing Laboratory (Laboratorio de Estructuras de madera) Accredited ISO 17025
Location of the facility	Spain Carretera de la Coruna km 8, 28040 Madrid
Start date	2004
Type of facility	Prepared for testing wood structures and wood based panels according to EN 408, EN 789, EN 14080
Keywords	Structural testing
Scientific characteristics	<p>Creation of scientific and technological knowledge on the relationships provenance - structure-properties in the wood and wood-based products, with special orientation towards the characterization of raw materials and the design and optimization for use of structural products.</p> <p>Further the laboratory for testing timber structures a Wood Preservation Laboratory for testing the efficacy of preservation products, a Laboratory of Wood Anatomy another one on Wood dendrocronology and different semi-industrial equipments for wood drying and calibration of wood hand-held moisture meters are also available.</p> <p>Ready to work with large wood structures (up to 7 m long)</p> <p>The equipment and personnel of the laboratory is involved in many different National and European projects, not only coordinated by INIA but also for researches of other Organizations.</p>
Technical characteristics	<p>Physical and mechanical properties including NDT testing</p> <p>Plataforma INIA</p>
SCIENTISTS AND/OR TECHNICIANS IN CHARGE OF THE FACILITY	
Principal investigator	Dr. Juan I. Fernandez-Golfin Seco (Structures and Wood Technology)
One line for each additional person	Dr. Eva Hermoso Prieto (Structures)
	Dr. Rafael Diez Barra (Structures)
	Eng. Juan Carlos Cabrero Rojo (Structures)

FORESTERRA

Enhancing FOrest RESearch in the MediTERRAnean through improved coordination and integration

ADMINISTRATIVE INFORMATION

Availability for participating in mutual measurements	Yes
	Contact person: Eva Hermoso Prieto (hermoso@inia.es)
Availability for accessing the data collected	Conditions or Policy of use: Official agreement between Organizations
Institution that manages the facility	INIA www.inia.es
Structure or institution which manages the data	Name (Original language and English translation)
	URL address
Is the facility participating in a national or international Network?	INNOVAWOOD http://www.innovawood.com/
Is the facility open for transnational collaboration?	Conditions: To present a common project or to sign an official agreement between Organizations
